**Sworn Statement
of part claiming exemption for the requirements
of Home Builders Licensure Law.**

I do hereby solemnly swear that I, or the entity of which I am a qualifying representative, am exempt from the licensing requirements of the State of Alabama, Home Builders Licensure Law for the following reason:

(Please mark appropriate response)

___ I am an authorized employee of a federal, State, or local government exempt from this law and do not hold myself out for hire or otherwise engage in contracting except in accordance with my employment.

___ I am a General Contractor holding a current and valid license issued prior to January 1, 1992.
General Contractors License # _____

___ I am a property owner acting as y own contractor and providing all material supervision myself on property of my own occupancy, or use, and not offered for sale.

(Proof of the sale, or offering for sale, of more than one such structure by an owner-builder within one year after completion of the same, is presumptive evidence that the construction was undertaken for the purpose of sale.)

I understand that by claiming exempt status I waive my rights for protection under the provisions of the Home Builders Licensure Law and that in the event of litigation involving activities resulting from the grant of this permit I may not make demand of any money from the Recovery Fund established by the Home Builders Licensure Law.
