DECLARATION OF U.S. CITIZENSHIP AND/OR LAWFUL PRESENCE OF AN ALIEN

The Alabama Legislature recently passed a sweeping immigration law. The law is known as the Beason-Hammons Alabama Taxpayer and Citizen Protection Act, Act No. 2011-535 (hereinafter referred to as the "Act"). The Act prohibits aliens unlawfully present in the United States from (1) receiving, with certain exceptions, state or local public benefits defined by the Act or (2) entering into or attempting to enter into business transactions with a city (state or local public benefits and business transactions are hereinafter collectively referred to as "Benefits").

The Act requires that any individual that receives a Benefit from a municipality must be a U.S. citizen or an alien lawfully present in the United States. Municipalities must obtain from each individual, including any individual that is a sole proprietor or a partner in a general partnership, both a signed declaration, either of citizenship or lawful presence as appropriate, and a demonstration of such status before Benefits may be provided to the individual by the municipality.

In the case of a partnership whose partners must be verified, you are instructed to provide a copy of the partnership agreement or other appropriate documentation evidencing the names and addresses of each individual who is a partner in the partnership, and each individual partner shall execute Form A or B.

DIRECTIONS

This declaration must be completed and submitted by the applicant(s) to the City of Irondale prior to the issuance of any Benefits, which declaration shall be incorporated into and become a part of and a condition of any Benefits authorized by the City/Town. A violation of the Act may disqualify the recipients from the Benefits issued by the City/Town.

Further, the Act provides that any person who knowingly makes a false, fictitious, or fraudulent statement or representation as a part of this declaration shall be guilty of perjury in the second degree pursuant to § 13A-10-102, Ala. Code 1975. Each time a person receives a Benefit based on such statement or representation shall constitute a separate violation.
