Stack Shelving and Ancillary Furniture Bid Summary
Bid No: 2025-03

Dear Sir/Madam,

Included with this letter is the General Bid Summary as well as an Itemized Bid Summary for the above-mentioned project. Office Resources Inc. (ORI) was the lowest bidder.

Our analysis of the bids revealed ORI did not meet the design intent for the Shelving Stack Systems portion of the bid. This is a major component of the overall design of the library and key component to its function. As a result, we do not believe it is in the City's best interest to award the bid to Office Resources, Inc. It is our professional recommendation that the City award the bid to Division 12, the next lowest bidder. Division 12's bid included all items, Stack Shelving and Ancillary furniture as specified.

Included with this letter are the following:

- Bid Summary
- Itemized Bid Summary
- Comparison of Office Resources Inc. proposed Shelving System compared to Basis of Design
- Stack Shelving and Ancillary Furniture Specification Package

Please review the attached materials and let me know if you would like to discuss them in person or if you have any questions.

Sincerely,

Jill Hursey Hicks
