**SOUTHERN SOFTWARE'S
ANNUAL SOFTWARE SUPPORT AGREEMENT
Records Management System (RMS)
8:30 a.m., EST to 5:00 p.m., EST**

This support agreement covers support from 8:30 a.m. to 5:00 p.m., EST, Monday through Friday.

Problem Resolution

Southern Software will provide customer support for mission critical operation of RMS, from 8:30 a.m. to 5:00 p.m., EST, Monday through Friday. This Agreement does not constitute a warranty but provides for mission critical problem resolutions and non-mission critical problem resolutions of repeatable errors during normal business hours, EST. Southern Software cannot warrant the product will operate free of problems in perpetuity. Southern Software does not warrant third party software applications used in programs provided to customers, i.e., Microsoft® Word. The purpose of this Agreement is to provide the necessary technical assistance to ensure a timely problem resolution and to minimize downtime. Mission critical is defined as "any problem that renders the entire system unstable or inoperable".

For problems covered under this Agreement, Southern Software will provide the following:

- Telephone response within five hours of notification of the problem. During this initial response, support personnel will determine the nature of the problem and severity. An attempt to resolve the problem will be made by giving instructions to the customer.
- If this is unsuccessful or the severity too great, then Southern Software will escalate to a Level 2 response. A Level 2 response involves a support technician connecting remotely to the customer's network using industry standard secure remote diagnostic methods to attempt to resolve the problem.
- If the problem is unable to be detected or resolved with a Level 2 response, then a technician will be scheduled for an onsite visit. There is no cost to the customer for the onsite visit as long as the problem is with a Southern Software product or equipment covered by a Southern Software support contract and as long as the problem is not due to a virus or negligent actions/treatment.

The user understands support staff may provide a temporary fix. A permanent fix will be provided at a later date.

Program Updates

Southern Software will provide program updates to support customers as new updates, fixes and features are added. Updates will be made universally to all supported customers at one time. No custom programming will be performed.

Third Party

If, at any time, an update to a third party's software is required, Southern Software will not incur the cost of such upgrade

System Administrator

The customer agrees to have a designated administrator (primary contact for support and update issues). It is highly desirable that the administrator be knowledgeable in networking and Windows® operating systems.

Data Backup Statement

The customer understands that it is the customer's responsibility to ensure data backups are being made daily and verified for accuracy.

Virus Statement

The customer agrees to have virus protection software loaded on each machine and agrees to update it weekly. (Southern Software recommends updating your virus protection software on each machine daily.) This support DOES NOT cover assistance in the recovery of damage caused by viruses or ransomware.
