CommsCoach. More Than Software. A Commitment to Success.

When agencies evaluate a new technology platform, it is easy to focus only on the software. But in 9-1-1, success depends on much more than technology alone. It depends on whether the solution can actually be implemented, configured, adopted, and sustained without overwhelming an already stretched team.

That is why CommsCoach includes more than software. It includes a deep commitment to customer onboarding, education and success delivered by experienced professionals who have lived the work inside emergency communications centers.

A Team Built for 9-1-1

More than 25 percent of the GovWorx organization is dedicated to onboarding, customer success, and education. These are not generic software implementation resources. Every member of these teams comes from the 9-1-1 profession.

Our team includes former:

- 9-1-1 Supervisors
- QA Specialist and Managers
- ECC Directors and Managers
- CTO's
- Call takers

From our VP of Professional Services to our onboarding consultants, customer success team, and education specialists, these professionals bring decades of real-world ECC experience to every deployment.

They understand the realities

Being under the headset. Staffing shortages. Mandatory overtime. Competing priorities. Limited downtime.

The pressure PSAPs and telecommunicators face every day — and what it takes to configure CommsCoach in a way that works for your center.

We Do the Heavy Lifting

We have learned something important through customer deployments across the country. PSAPs do not have hours and hours to spend building and managing AI instructions or detailed criteria required to launch a sophisticated platform.

Configure AI Prompts

Learn and configure AI prompts

Refine QA Criteria

Refine QA criteria and scoring modifications

Build Templates

Build trainee observation report templates

Develop AI Instructions

Develop AI instructions aligned to local policy and workflow

Create Simulations

Create and proctor AI training simulations

Structure Training Plans

Structure training and adoption plans for different user groups

- So we do not ask them to. As part of the CommsCoach subscription, GovWorx assigns experienced resources to perform this work with and for the customer. That includes onboarding, configuration, training, and adoption support designed to reduce customer burden while accelerating time to value.

Why This Matters

Technology only helps the PSAP when it is operationalized well. A platform as powerful as CommsCoach must be aligned to what works for your center, your people, and your goals.

Our experienced services teams help agencies:

Launch Faster

Launch faster without pulling key personnel away from operations

Reduce Internal Burden

Reduce the internal burden on supervisors, trainers, and managers

Configure Correctly

Improve User Adoption

Long-Term Success

Turn implementation into long-term operational success

This approach helps ensure CommsCoach does not become another tool that requires significant customer labor to stand up. Instead, it becomes a supported operational capability delivered with the guidance of people who know the work firsthand.

TERMS OF SERVICE

You agree that by placing an order through a GovWorx standard ordering document such as a "Quote", "Order Form", Statement of Work ("SOW") or other document mutually agreed by the parties detailing the services, pricing and subscription term you agree to follow and be bound by the terms and conditions set forth herein, called "Order Form" in this document.

1. Provision of Services. Subject to the terms of this Agreement GovWorx hereby agrees to provide Customer with access to its SaaS Applications and Professional Services (each defined below) included or ordered by Customer in the applicable Order Form (collectively referred to as the "Services"). Customer hereby acknowledges and agrees that GovWorx's provision and performance of, and Customer's access to, the Services is dependent and conditioned upon Customer's full performance of its duties, obligations and responsibilities hereunder. This Agreement entered into as of date of signature on an applicable Order Form (Effective Date) unless otherwise indicated on the Order Form.
2. SaaS Subscription.
 - a. Subscription Grant. "SaaS Applications" means each proprietary GovWorx software-as-a-service application that may be set forth on an Order Form and subsequently made available by GovWorx to Customer, and associated components as described in any written service specifications made available to Customer by GovWorx (the "Service Specifications"). Subject to and conditioned on Customer's and its Authorized Users' compliance with the terms and conditions of this Agreement, GovWorx hereby grants to Customer a limited, non-exclusive, non-transferable, and non- sublicensable right to onboard, access and use, and to permit Authorized Users to onboard, access and use, the SaaS Applications specified in the Order Form solely for Customer's internal, non-commercial purposes; (these rights shall collectively be referred to as the "SaaS Subscription").
 - i. "Authorized Users" means Customer's direct employees ("Personnel") who are (1) authorized by Customer to access and use the Services under the rights granted pursuant to this Agreement, and (2) for whom access to the Services has been purchased hereunder. For clarity, Authorized Users expressly exclude any contractors, consultants, temporary workers, outsourced service providers, volunteers, interns, or other third parties, even if performing services for or on behalf of Customer, unless GovWorx expressly agrees otherwise in writing.
 - b. Usage Restrictions: Competitive Access Prohibition. Customer shall not exceed the usage limits (if any) as detailed in the applicable Order Form. Customer may not access the SaaS Applications if Customer is a direct competitor of GovWorx or its affiliates. In addition, Customer may not access the SaaS Applications for any competitive purposes. Customer shall be responsible for each Authorized User's access to and use of the SaaS Applications and compliance with applicable terms and conditions of this Agreement. Any violation of the competitive use restrictions shall constitute a material breach, and GovWorx shall be entitled to seek injunctive or equitable relief without the requirement of posting bond.
 - c. Subscription Term. Unless otherwise specified in an applicable Order Form, SaaS Subscriptions shall commence on the Effective Date and remain in effect for twelve (12) consecutive months, unless terminated earlier in accordance with this Agreement (the "Initial Term"). Thereafter, SaaS Subscriptions shall automatically renew for successive twelve (12) month terms (each a "Renewal Term" and together with the Initial Term, collectively, the "Term") unless a party delivers to the other party, at least thirty (30) days prior to the expiration of the Initial Term or the applicable Renewal Term, written notice of such party's intention to not renew the SaaS Subscriptions, or unless terminated earlier in accordance with

this Agreement. The Term for the Services is a continuous and non-divisible commitment for the full duration regardless of any invoice schedule, unless otherwise specified on the Order Form.

3. Order of Precedence. In the event of a conflict, the following order of precedence shall apply: (1) the applicable Order Form or SOW solely with respect to pricing, scope, and term; (2) these Terms of Service; and (3) any exhibits, addenda, or ancillary documentation, unless expressly stated otherwise in writing.
4. Customer Responsibilities. Customer will not, and will ensure its Authorized Users do not (a) make any of the Services available to anyone other than Authorized Users or use any Services for the benefit of anyone other than Customer and its Authorized Users, unless otherwise agreed in writing by the parties, (b) sell, resell, license, sublicense, distribute, make available, rent or lease any of the Services, or include any of the Services in a service bureau or outsourcing offering, unless otherwise agreed in writing by the parties, (c) use the Services to store or transmit infringing, libelous, or otherwise unlawful or tortious material, or to store or transmit material in violation of the privacy rights, publicity rights, copyright rights, or other rights of any person or entity, (d) use the Services to store or transmit code, files, scripts, agents or programs intended to do harm, including, for example, viruses, worms, time bombs and Trojan horses, (e) interfere with or disrupt the integrity or performance of the Services (including, without limitation, activities such as security penetration tests, stress tests, and spamming activity), (f) attempt to gain unauthorized access to the Services or its related systems or networks, (g) disassemble, reverse engineer, or decompile the Services, or modify, copy, or create derivative works based on the Services or any part, feature, function or user interface thereof, (h) remove the copyright, trademark, or any other proprietary rights or notices included within GovWorx Intellectual Property and on and in any documentation or training materials, or (i) use the Services in a manner which violates the terms of this Agreement, any Order Form or any applicable laws.
5. Payment Terms.
 - a) Fees. Customer shall pay all fees ("Subscription Fees") as set forth in an Order Form within thirty (30) days of the date of GovWorx's invoice. Fees shall be invoiced annually in advance and in a single invoice for each Term. Unless explicitly stated otherwise in an Order Form, all payments due under an Order Form are expressed in and shall be paid in U.S. dollars. If any amount owing by Customer is more than 30 days overdue, GovWorx may, without limiting its other rights and remedies, suspend the Services until such amounts are paid in full. Except as otherwise specifically stated in the Order Form, GovWorx may change the charges for the Services with effect from the start of each Renewal Term by providing Customer with new pricing at least thirty (30) day notice prior to commencement of a Renewal Term, unless otherwise specified in the Order Form.
 - b) Taxes. Unless tax exempt, Customer will pay all taxes, duties and levies imposed by all federal, state, and local authorities (including, without limitation, export, sales, use, excise, and value-added taxes) based on the transactions or payments under this Agreement, except those taxes imposed or based on GovWorx's net income or those exempt by applicable state law.
6. Term and Termination.
 - a) Term. This Agreement shall commence on the Effective Date and shall remain in effect until all SaaS Subscriptions have expired unless it is terminated earlier in accordance with this Agreement.
 - b) Termination for Cause; Effect of Termination. Either Party may terminate this Agreement immediately if the other is in material breach of this Agreement and such breach is not cured within thirty (30) days following non-breaching party's written specification of the breach.

GovWorx may suspend the Services or terminate this Agreement immediately in the event the Services or Customer's use of the Services provided hereunder pose a security risk to the Services, GovWorx, or any third party. Upon expiration or any termination of this Agreement, Customer shall cease all use and refrain from all further use of the Services and other GovWorx Intellectual Property. Additionally, Customer shall be obligated to pay, as of the effective date of such expiration or termination, all amounts due and unpaid to GovWorx under this Agreement. - a. Equitable Relief. Customer acknowledges that GovWorx may seek equitable relief for unauthorized use of the Services that would cause irreparable harm for which monetary damages may be inadequate.
- b. Exclusion of Damages. To the maximum extent permitted by applicable law, in no event will either party be liable under or in connection with this agreement or its subject matter under any legal or equitable theory, including breach of contract, tort (including negligence), strict liability, and otherwise, including for any: (a) loss of production, use, business, revenue, or profit or diminution in value; (b) impairment, inability to use or loss, interruption or delay of the services; (c) loss, damage, corruption or recovery of data, or breach of data or system security; (d) cost of replacement goods or services; (e) loss of goodwill, loss of business opportunity or profit, or loss of reputation; or (f) consequential, incidental, indirect, exemplary, special, enhanced, or punitive damages, regardless of whether such persons were advised of the possibility of such losses or damages or such losses or damages were otherwise foreseeable, and notwithstanding the failure of any agreed or other remedy of its essential purpose.
- c. Cap on Monetary Liability. Except for damages arising out of liability which cannot be lawfully excluded or limited, or customer's obligations to make payment under this agreement, the total aggregate liability of either party for any and all claims against the other party under this agreement, whether arising under or related to breach of contract, tort (including negligence), strict liability, or any other legal or equitable theory, shall not exceed the amount of all payments actually received by GovWorx from customer in connection with this agreement in the twelve (12) month period preceding the date of the event initially giving rise to such liability. The existence of one or more claims will not enlarge the limit.

17. Reimbursement of Costs in Third-Party Litigation. With respect to any litigation or other court proceeding involving Customer and a third party, if any subpoena or other legally binding request related to such litigation or court proceeding is served to GovWorx requesting copies of documents maintained by GovWorx or otherwise requesting GovWorx to appear as a witness in any capacity or provide testimony with respect to Customer's documentation, Customer shall reimburse GovWorx for its out-of-pocket costs associated with compliance with such request, including but not limited to GovWorx's reasonable attorneys' fees.
18. Publicity. Unless otherwise provided in the applicable Order Form, GovWorx may identify Customer as one of its customers and use Customer's logo for such purposes, subject to any trademark usage requirements specified by Customer.
19. Force Majeure. Except for Customer's payment obligations to GovWorx, neither party shall be liable for any damages, costs, expenses or other consequences incurred by the other party or by any other person or entity for any act, circumstance, event, impediment or occurrence beyond such party's reasonable control, including, without limitation: (a) acts of God; (b) changes in or in the interpretation of any law, rule, regulation or ordinance; (c) strikes, lockouts or other labor problems; (d) transportation delays; (e) unavailability of supplies or materials; (f) fire or explosion; (g) riot, pandemic, military action or usurped power; (h) actions or failures to act on the part of a governmental authority; (i) internet service interruptions or slowdowns, vandalism or cyber-attacks, or (j) any other cause beyond the reasonable control of such party.
20. Independent Contractor: No Third-Party Beneficiary: Fulfillment Partners. The relationship of the parties shall be deemed to be that of an independent contractor and nothing contained herein shall be deemed to constitute a partnership between or a joint venture by the parties hereto or constitute either party the employee or agent of the other. Customer acknowledges that nothing in this Agreement gives Customer the right to bind or commit GovWorx to any agreements with any third parties. This Agreement is not for the benefit of any third party and shall not be deemed to give any right or remedy to any such party whether referred to herein or not. GovWorx may designate any third-party affiliate, or other agent or subcontractor (each a "Fulfillment Partner"), without notice to, or the consent of, Customer, to perform such tasks and functions to complete any Services.
21. Cooperative Purchasing: Participating Public Safety Entities. Customer acknowledges and agrees that GovWorx may permit other governmental public safety entities to purchase the Services under this Agreement through cooperative purchasing, "piggyback," intergovernmental, or similar procurement authority, provided that such entity (i) is located within the same State as Customer or within the same County as Customer, or is otherwise approved in writing by GovWorx, and (ii) is legally authorized to make such purchase under applicable law, regulation, and procurement rules (each, a "Participating Public Safety Entity").
 - a. Separate Order Form Required: Independent Customer Status. Each Participating Public Safety Entity must execute its own Order Form (or other GovWorx standard ordering document) referencing this Agreement. Upon execution of its Order Form, the Participating Public Safety Entity shall be deemed a "Customer" under this Agreement solely with respect to its own Order Form and use of the Services. No Participating Public Safety Entity shall receive any rights to access or use the Services unless and until it has executed such Order Form.
 - b. Independent Obligations: No Cross-Liability. Each Order Form executed under this Section shall be independent and create obligations solely between GovWorx and the Participating Public Safety Entity executing that Order Form. Customer shall not be responsible or liable for the acts, omissions, fees, compliance obligations, data, or use of the Services by any Participating Public Safety Entity. Likewise, no Participating Public Safety Entity shall be

responsible or liable for Customer's acts or omissions. There shall be no joint, several, or collective liability created by participation under this Section.

- c. Order of Precedence. Participation by a Participating Public Safety Entity under this Section does not amend or modify this Agreement. Any Order Form executed by a Participating Public Safety Entity shall be subject to the order of precedence set forth in this Agreement. In the event of a conflict between this Agreement and a Participating Public Safety Entity's Order Form, the order of precedence provision of this Agreement shall control unless GovWorx and the applicable Participating Public Safety Entity expressly agree otherwise in a written amendment signed by both parties.
- d. No Third-Party Beneficiary Rights. This Section authorizes cooperative purchasing only and does not create third-party beneficiary rights for any entity that has not executed an Order Form with GovWorx. No Participating Public Safety Entity shall be deemed a party to this Agreement except with respect to its own executed Order Form.
- e. No Obligation to Permit Participation. Nothing in this Section obligates GovWorx to permit any Participating Public Safety Entity to purchase Services under this Agreement. GovWorx retains sole discretion to approve or decline participation by any entity.

Provisions that survive termination or expiration are those relating to, without limitation, accrued rights to payment, acknowledgements and reservations of proprietary rights, confidentiality obligations, warranty disclaimers, and limitations of liability, and others which by their nature are intended to survive.
- e. Notices. All notices or other communications required or permitted hereunder shall be in writing and shall be deemed to have been duly given either when personally delivered, one (1) business day following delivery by recognized overnight courier or electronic mail, or three (3) business days following deposit in the U.S. mail, registered or certified, postage prepaid, return receipt requested.
