Keltin,

This is a proposal for performing a *survey* for a Bi-Directional Amplifier (BDA) or two-way emergency responder communication enhancement system. This survey is required per code Section 28 55 00 of the specifications. The survey will determine if a BDA system is required for this facility. If a BDA system is required, we will deduct the cost of the survey from the cost of the BDA system that we will need to quote. Please contact our office with any questions you may have regarding this.

Survey:	\$3,500.00
Total:	\$3,500.00

Respectfully Submitted,
