Dear Council President Spivey,

On behalf of the faculty and staff at Irondale Community School, I would like to request a sponsorship from the City of Irondale and/or from your discretionary account, that would provide 5-6 picnic tables for our courtyard area. Members from the Jefferson County Personnel Board's Community Servant Leadership class assisted our school by building and filling raised garden beds in the courtyard. We would like to take the next step in our initiative by adding picnic tables to create an outdoor learning space for the students at ICS. The picnic tables would provide a space for outdoor learning, outdoor reading (it's PERFECT that the space connects to our library), and it would allow us to provide a safe environment for classes to enjoy an outdoor lunch.

We look forward to hearing from you and we appreciate your consideration in the funding of the project.

Sincerely,

Jessica Hahn
Principal, ICS
