THIS AGREEMENT, entered into this the ____ day of _____, 20____, between the Alabama Department of Transportation acting by and through its Transportation Director hereinafter referred to as ALDOT and _____ the City of Irondale, Alabama _____ herein referred to as the APPLICANT in an effort to secure a more pleasing appearance on the roadside between the right-of-way of Interstate 20 and Grant's Mill Road. The maintenance will occur along the on and off ramps of Interstate 20 and within and along Grant's Mill Road from Crestwood Boulevard to Old Grant's Mill Road and Beacon Drive.

on Route 20, the APPLICANT agrees to maintain the vegetative cover in the right-of-way of Interstate 20 by means of mowing with a flail or rotary mower and hand trimming such that a clean and attractive appearance is obtained. Mowing operations shall be conducted when the height of the vegetative cover reaches 36 inches and rescheduled in accordance with the planned frequency. In the event that shrubs and/or minor trees are planted within the area, trimming around the plant materials shall be done in conjunction with mowing to obtain a clean and attractive appearance. Clippings or other incidental debris (such as branches, trash, etc.) shall be removed if mounding of the clippings or other incidental debris occurs.

In accepting the above, ALDOT and the APPLICANT agree to do the following:

1. The APPLICANT will see that adequate sight distances are maintained for maximum public safety; otherwise ALDOT reserves the right to remedy this situation in the most expedient manner.
2. ALDOT is not responsible for the safety of the individual involved or taking part in this work during maintenance operations. Signs used must be in accordance with the latest version of the MUTCD currently in use by ALDOT.
3. If ALDOT construction (repair of drainage and traffic structures, crossovers and other minor construction) is done in the subject area, it will be the responsibility of ALDOT to establish a stand of vegetative cover if deemed necessary by ALDOT and then the APPLICANT's responsibility to maintain the vegetative cover as stipulated herein. In the event of major construction in the subject area, this Agreement shall be voided at a time designated by ALDOT.

4. All work shall be subject to the inspection and approval of ALDOT. Description of the proposed work must accompany this and any associated proposal. Should the APPLICANT fail to conform to the provisions of the Agreement, such failure shall be grounds for termination and shall be cause for ALDOT to assume the maintenance at the APPLICANT's expense and/or remove the work and restore the right-of-way to ALDOT's discretion at the expense of the APPLICANT. The APPLICANT agrees to pay ALDOT all such costs as a result. ALDOT shall provide thirty (30) days notice, in writing, or any termination.

5. A copy of this Agreement must be kept by all parties that sign the Agreement. The State of Alabama does not grant APPLICANT any right, title, or claim on any highway right-of-way.

6. The APPLICANT agrees to store no equipment, branches, mounds of clippings or plant debris of any kind or any other material on the shoulders of pavement and in the case of multi-lane highways, in the median strips. The pavement will be kept free from waste (clippings, mud and other debris) and equipment.

7. This Agreement is executed with the understanding that it is not valid until the APPLICANT has complied with all existing ordinances, laws and zoning boards that have jurisdiction in the county, city or municipality.

8. The APPLICANT will provide litter pick up as needed to insure a pleasing appearance along the roadside.

9. The APPLICANT may perform any herbicide treatments necessary to maintain the appearance of the roadside with written permission from ALDOT. This includes but is not limited to concrete islands, median barriers, curbs, and other structures. Herbicide treatments shall conform to the guidelines found in the current edition of *Chapter IV: ALDOT Herbicide Treatment Recommendations*; and be applied by an individual in possession of a current Commercial Applicator Permit (ROW category) issued by the Alabama Department of Agriculture & Industries. Daily application reports shall be made available for review by ALDOT upon request.

The APPLICANT has no insurance coverage applicable to third-party acts, omissions or claims, and can undertake no obligation that might create a debt on the State Treasury. The APPLICANT agrees ALDOT shall not be responsible for the willful, deliberate, wanton or negligent acts of the APPLICANT, or its officials, employees, agents, servants, vendors, contractors or subcontractors. The APPLICANT shall require, its contractors and its subcontractors, agents, servants or vendors, as a term of its contract with the APPLICANT, to include ALDOT as an additional insured in any insurance policy providing coverage for the work to be performed pursuant to and under this Agreement and to provide the APPLICANT a copy of the insurance policy declaration sheet confirming the addition of ALDOT thereto.

11. The APPLICANT agrees to provide pruning and/or trimming of plants in any existing or newly landscaped areas.

12. No new installation or removal of plantings is allowed on the right-of-way under this agreement.

13. The APPLICANT may perform adequate dressing and street sweeping on the routes included in this agreement which have curbs and gutters, maintaining a clean and attractive appearance of the roadway. If street sweeping is conducted, gutters shall be kept free of debris.

14. Nothing contained in this Agreement, or in its execution, shall be construed to alter or affect the title of the STATE to the public right-of-way nor to increase, decrease or modify in any way the rights of the APPLICANT in performance of these maintenance activities.

15. By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.
