BUILDING COMMUNITY

Mayor James D. Stewart, Jr.

E-Plan

- Environment

Accelerate beautification and improvements to our roads, storm drains, sidewalks, and gateways in the City of Irondale.

- Education

Increase community involvement and financial investment in our local schools.

- Eco-Tourism

Expand the City's participation to protect and support Ruffner Mountain Nature Center, Flora Johnston Nature Park, Shades Creek Corridor, and the Cahaba River at Grants Mill Road.

- Economic Development

Create a blueprint that encompasses business retention and expansion, workforce training, and real estate development of existing properties.

- Employee Empowerment

Provide City employees with a livable wage and create a culture that develops leaders in our City.
